

Loud Hosanna

Words & tune Traditional, **arranged by** Carolyn Robson

- 1 Loud Hosanna, send on high
Raise your voices to the sky
Raise your voices to the sky
Hymns of praise ever sing
To the newborn heavenly King
To the newborn heavenly King

- 2 Wake, my soul, and hail the morn,
Unto us a Savior's born,
Unto us a Savior's born.
The angels wing their way
To usher in the glorious day
To usher in the glorious day.

- 3 Hark! sweet music, what a song,
From the bright celestial throng
From the bright celestial throng
Whose melting sounds impart
Joy to each enraptured heart
Joy to each enraptured heart.

- 4 Loud Hosanna, fill the air
Kneel before the Holy Pair
Kneel before the Holy Pair
Offer precious gifts to him
Holy Child, free from sin
Holy Child, free from sin.
